OPC	ONLINE LABEL PC	£1,500	-	-

- New System prices include software licence, 12 months software support, security key and carriage, or online activation.
- Software is not licenced for use on websites – Metered Network Keys are available for this purpose; Price list available on request.
- Support includes Maintenance Releases & hotfixes, replacement of defective security keys, telephone, email & online remote support and online technical support pages. The number of hours of support permitted per annum is capped based on the purchased system, as follows:
Single Licence: EX – 3 hours, IN – 12 hours, SO – 15 hours, PO – 22 hours, NE – 22 hours, PQ – 15 hours, SC – 12 hours.
Network/Multiple Licences: IN – 18 hours, SO – 22.5 hours, PO – 33 hours, NE – 33 hours, PQ – 22.5 hours, SC – 18 hours.
- In the unlikely event the cap is reached; additional pre-paid hours can be purchased to continue support until the next renewal. The cap is reset at renewal.
- Online Label PC is supplied as an individual licence. Support is included with any support purchased for or provided with Modular licences.

UPDATES TO V12.0

Updates are charged at a percentage of the full system prices, and are based on the Modules and Seats to be updated:

FROM V9.0	40%
FROM V10.0	30%
FROM V11.0	20%

- Update prices include software licence and 6 months support.
- 6 Month Support – Maximum contractual hours as calculated on a pro-rata basis of 12 Month Support.
